

2015
Started **hellospoke**.

2015
Sold Indatus (select assets) to RealPage.

2015
The President of the United States visited Indatus and gave a national speech about a federal initiative to provide technical training and education to people with non-technical backgrounds.

2012
Indatus began a multi-million dollar renovation on a new corporate headquarters in downtown Louisville, KY. The original home of Four Roses Bourbon now marries high-tech office space and a Tier 2 data center.

2011
Indatus is handling over 10 million phone calls per month for their customers.

2006
Indatus is recognized as one of the 500 fastest growing companies in the country.

1998
Indatus is handling over 1 million phone calls per month for their customers.

1996
The Federal Telecommunication Act of 1996 deregulated the industry, dramatically lowering the cost of long distance. ICIM (dba Indatus) can cost effectively sell their hosted services across the country.

1990
Started ICIM Corp.

hellospoke is a nimble, privately owned cloud communication provider.

hellospoke was founded on the principle of providing high-quality business communications that align with the needs of today's digital workplace. Being in and around telecom for over two decades, we saw the need in the marketplace for a simple, reliable and cost-effective way for businesses to upgrade or enhance their phone system without having to spend tens of thousands of dollars in the process.
