Imagit Solutions Exhibits at CompTIA ChannelCon 2019 - Booth 513

Imagit Solutions showcases nationwide network IT services at the IT industry premier annual conference in Washington, D.C., July 31 through August 2.

Chicago, IL — Imagit Solutions announced today it is exhibiting at [CompTIA ChannelCon 2019](#), the information technology (IT) industry's premier annual education, networking and partnering event. This year's conference is scheduled for August 5-7 in Las Vegas. Imagit welcomes guests to register at no cost using code [CC19Imagit](#).

"The ChannelCon event brings some of the most engaged attendees I have ever witnessed from all the conferences I attend," stated Michael Shutkas, Business Director at Imagit. "This will be my 3rd year attending, but this time as an exhibitor and participant through the Future Leaders Executive Council. I am sure the location (Vegas) will provide a nice uptick in attendance from the already well attended events in the past. This has been a starred one on my calendar and am excited that we are finally one-week out!"

"Each year the tech industry's best business minds, innovators and thought-leaders come to ChannelCon for vendor-neutral collaboration, learning and partnership, resulting in new ideas and actionable advice that they can use to grow their business," said Kelly Ricker, executive vice president for events and education at CompTIA. "We're delighted that Imagit Solutions will join us in Las Vegas to share their insights and perspectives on how they're helping their partners navigate these changes and thrive in an evolving market."

"ChannelCon is a great opportunity to connect with other technology companies who are looking for a reliable IT partner who can provide boots on the ground nationwide." said Brian Gardner, Imagit CEO. "As an industry leader, we leverage our industry experience and best practices to help partners and end users improve productivity, maximize resources, and strategically plan for future growth."

Meet Imagit during ChannelCon at Booth 513 during the Technology Vendor Fair events. We will be discussing how Imagit can take your organization to the next level by offering white

labeled IT services nationwide. Our team of 400 vetted and trained engineers are available to help you expand your coverage and capabilities. Confidently partake in conversations surrounding large opportunities that normally would be outside of your coverage area knowing that the Imagit Team is ready to support you. With Imagit as your partner you can add value to your clients by providing the consultative and comprehensive IT support services they need. Our vendor agnostic, channel focused company works with your team to provide a wide range of white labeled IT services. Our experienced team of smart hands has the capabilities to complete nearly any engagement. Imagit's adherence to partner standards and best practices yields a high rate of success, client satisfaction, and repeat business. Stop saying "no" to business opportunities when you can utilize a trusted partner in Imagit!

At CompTIA ChannelCon 2019 Imagit Solutions will join other industry leaders for three days of educational programming, networking sessions, and high-level discussions on a range of topics, including emerging technologies, operational efficiencies, hiring and retaining employees, cloud computing, smart buildings and smart cities, and the state of cybersecurity.
